Old Business

- The mayor didn't get an opportunity to talk to the lawyer about the fence. He will discuss with the lawyer before the next board meeting. The mayor will present to the board and schedule a public hearing for November.
- E-360 – The mayor discussed how the E-360 comp plan will be linked, however, it won't be attached to the local laws. Will also send 6 laws from 2023 to the state for recording. This should be done before the next meeting.

New Business

- Report reviewed from codes:
 - Discussed GML for battery storage farms and will make sure clerk has a copy of GML to attach to the paperwork.
- Due to scheduling conflicts, we may need to change the dates of a couple of ZBA meetings. Justin will let us know as soon as possible what dates need to be changed.
- Discussed the need for 4 hours of training. Be sure to get to the clerk by the end of October so that she can get a check cut for us.

Adjournment

Motion to adjourn the meeting at 7:30 p.m. was made by Kathy Anania. Seconded by Lori Seymour. All in favor – motion carried.
